

CHILLER SERVICES

**Demanding Buildings  
Demand the Best.  
Experience the Betlem  
Quality Difference.**

EMCOR Services Betlem (Betlem), one of the largest commercial and residential HVAC services companies in upstate New York, specializes in heating, air conditioning, refrigeration, control systems, process piping, sheet metal, and HVAC predictive and preventive maintenance solutions.

By combining equipment and systems expertise with today's leading-edge technologies, EMCOR Services Betlem helps increase equipment reliability while improving cost control measures.

### REDUCE OPERATION COSTS

When properly maintained, chillers not only provide critical comfort needs to people and equipment in buildings, but they also *help reduce operating costs* through increased energy efficiency—all while extending equipment's useful life.

**Betlem provides a comprehensive package of expert chiller services designed to keep facilities running at peak productivity.**

### EPA Certified. Factory Authorized.

As the region's largest independent chiller group, Betlem's EPA-certified and factory-authorized experts offer high-quality, single-source chiller services. We have vast experience servicing machines from manufacturers such as those listed below. **Betlem also offers replacement/enhancement products and energy saving upgrades for these lines and more:**
